

STATE OF WASHINGTON  
DEPARTMENT OF ECOLOGY

4601 N Monroe Street • Spokane, Washington 99205-1295 • (509)329-3400

August 17, 2010

Mr. Joel Maroney  
Greenbluff Bench Water & Road Associations  
19509 North Kamiakin Trail Lane  
Colbert, Washington 99005

Re: Application for Change under Ground Water Certificate No. G3-28056C

Dear Mr. Maroney:

In response to your request, you are hereby granted an extension to complete construction for the reason(s) below:

According to your request, you completed constructed an additional well for your water system that subsequently collapsed. Since this well is no longer usable, a replacement well will now be constructed at this site. According to your letter, it is estimated that it will take up to two years to obtain funding and complete the well. It appears you have diligently perused the completion of this project. Your request is for a reasonable and short period of time. We will grant you an additional two years to complete your project.

The new deadline to submit your *Construction Notice* is **November 1, 2012**.

Department of Ecology personnel, upon presentation of proper credentials, shall have access at reasonable times, to the project location, and to inspect at reasonable times, records of water use, wells, diversions, measuring devices and associated distribution systems for compliance with water law.

All wells constructed in the state shall meet the construction requirements of WAC 173-160 titled "Minimum Standards for the Construction and Maintenance of Wells" and RCW 18.104 titled "Water Well Construction". Any well which is unusable, abandoned, or whose use has been permanently discontinued, or which is in such disrepair that its continued use is impractical or is an environmental, safety or public health hazard shall be decommissioned.

A well log of the completed well shall be submitted by the driller to the Department of Ecology within thirty (30) days of completion of this well. This well log shall be complete and all information concerning the static water level in the completed well in addition to any pump test data shall be submitted as it is obtained.

You have a right to appeal this decision. To appeal this you must:

- File your appeal with the Pollution Control Hearings Board within 30 days of the "date of receipt" of this document. Filing means actual receipt by the Board during regular office hours.
- Serve your appeal on the Department of Ecology within 30 days of the "date of receipt" of this document. Service may be accomplished by any of the procedures identified in WAC 371-08-305(10). "Date of receipt" is defined at RCW 43.21B.001(2).

Be sure to do the following:

- Include a copy of the document that you are appealing.
- Serve and file your appeal in paper form; electronic copies are not accepted.

**1. To file your appeal with the Pollution Control Hearings Board**
